**EGYPTIAN COMPANY  
FOR GLASS INDUSTRIES**

[www.egyglass.com](http://www.egyglass.com)

# About Us

“Ambition spirit of life.” We have worked hard since the company’s establishment in 2008 to satisfy our customers and meet the demands of the domestic and international market for renewable forms of tools glassware keeping with the times and to suit all tastes.

And became the Egyptian Company for Glass Industries name (El-gawhara ) of the fastest growing names in the field of glass and printing products are manufactured by

We have got integrated system certifications in ( ISO14001 – OHSAS 18001 – ISO 9001).

And try hard to expand in the global markets through the development of products and machinery in order to maintain the status of the company in the ranks of the big companies in the field of glass

And now we find ourselves in the following markets:

- Europe: - Spain- Turkey
- Africa - Algeria, Morocco - Sudan - Libya - Otheueba - Côte d’Ivoire.
- Asia: - Saudi Arabia - Syria - Palestine - Jordan
